

Floris Ernst
Group Leading Senior Scientist
Institute of Robotics and Cognitive Systems
Center for Artificial Intelligence Luebeck (ZKIL)

Qualifications

Robotics, Habilitation, Development of a real-time capable method for non-contact and non-invasive localization of the human skull bone

01.01.2013 → 26.05.2016

Award Date: 26.05.2016

Supervised by **Schweikard, Achim**

Robotics, Dr. rer. nat., Compensating for Quasi-periodic Motion in Robotic Radiosurgery, University of Luebeck

15.10.2006 → 14.04.2011

Award Date: 18.03.2011

Supervised by **Schweikard, Achim**

Mathematics, Diploma, Dedekind, Prüfer and Skolem Rings, University of Erlangen–Nuremberg

10.2001 → 09.2006

Award Date: 29.09.2006

Supervised by **Ruppert, Wolfgang**

Mathematics, PGDipSci, Multiplicative Ideal Theory, University of Otago

03.2004 → 12.2004

Award Date: 11.12.2004

Supervised by **Clark, John**

01.06.2011 → 31.12.2012 Software Engineer for Medical Devices

Employment

Institute of Robotics and Cognitive Systems

University of Luebeck

Lübeck, Germany

01.11.2022 → present

Group Leading Senior Scientist

Center for Artificial Intelligence Luebeck (ZKIL)

University of Luebeck

01.01.2020 → present
